

## 18-YEAR-OLD WIFE AND HER MOTHER BOTH INEBRIATES

Father and Husband Has Pair  
Sent to Workhouse for  
Sixty Days.

ARRAIGNED IN STUPOR.

Beautiful Girl Accepts Her  
Commitment Languidly,  
While Woman Sleeps.

A mother and her daughter, the latter eighteen years old, although she has been married two years, were committed to the Hudson County (N. J.) Penitentiary for sixty days for habitual intoxication to-day by Recorder McGovern, of Hoboken.

Mrs. Sara Gill, forty-five years old, and her daughter, Mrs. Mamie Pslugh, of No. 75 Willow street, Hoboken, have been arraigned for intoxication frequently. The girl is still beautiful, while the mother bears traces of extreme beauty, which with her love for strong drink, has been her daughter's heritage.

John Gill last night told the magistrate that if he would send policemen to his home he would find Gill's wife and daughter speechlessly intoxicated and as this condition had become chronic to them, he wanted them committed to an institution where they might be saved from themselves. Detective Sergeant Baroney was sent to the Gill home and the women were removed in a patrol wagon to the police station, still in a stupor.

**Girl Inebriate at Fourteen.**  
Gill, in court this morning, said that his wife had not been sober for years. When she was fourteen years old, he said, his daughter evinced a taste for strong drink and this taste she has gratified ever since. Two years ago, he said, his daughter was married to a hard-working man, and three months ago a baby was born to them. The girl-wife, he said, neglected the baby so that the husband took the child to his relatives and left his wife. Since then, Gill said, his daughter has never been sober.

Recorder McGovern, addressing the young woman, said she had been before him on previous occasions and recalled her promise to mend her ways made a few weeks prior to the birth of her baby.

"I had you brought to my house on that occasion," the magistrate said, "hoping to save you the embarrassment of being brought to court in your delicate condition. You promised me you would reform and devote your life to your baby, but you neglected it, and now you have lost it. As your husband is a good man, he is to be commended for removing the child to a healthier surrounding. I will put you away for sixty days and maybe you will be able to sober up in that time."

Turning to the mother the magistrate mercilessly arraigned her and said that the daughter's plight is solely due to the example the mother had set her, and that sixty days in the workhouse would possibly give her an opportunity to reform.

Mrs. Gill slept through the scolding she received, while the girl was too stupid to realize what had been said to her, but begged to be allowed to have one more drink and then to go to bed.

## "I WILL FIGHT JEFF ANY TIME ON 3 WEEKS' NOTICE"

"This Year or Any Year," Adds  
Johnson—Hotels Draw Col-  
or Line on the Pugilist.

VANCOUVER, B. C., March 11.—"I will fight Jim Jeffries any time on three weeks' notice. I will fight this year or any other year." This statement was made to-day by Jack Johnson in reply to queries.

The champion added: "I have read what Jeffries had to say in New York. When Jeffries and Johnson get in the ring you can bet it will be a great event. I won't let a little thing like a theatrical engagement interfere with the match with Jeffries," he continued. "I am ready any time. When he says he is willing, I will be there. If he said now that he would fight, I would engage to fight him three weeks after I get to the place of the meet."

Vancover hotel proprietors drew the color line strictly when Johnson attempted to get accommodations. Coming from the steamer, Johnson, with his white wife and friends, went to the St. Francis Hotel. Johnson was politely told that the hotel was filled. The clerk was sorry, adding: "Really, Mr. Johnson, it could not be helped."

The pugilist took the "turn down" with good grace the first time, but when it was repeated in five other hotels, especially in cheaper houses, he became angry. Johnson said little, however, and late in the evening he obtained accommodations at the Dominion Hotel. Johnson spent part of the night at the home of George Paris, a boxing instructor.

## GIRL IN FLAMES DIVES HEADLONG DOWN STAIRWAY

Mortally Burned While Fleeing  
From Brother Who Seeks  
to Save Her.

FIRE INJURES THREE.

Rescuers Are Scorched While  
Wrapping Portieres About  
Victim to Put Out Blaze.

Her clothing a sheet of flame, Margaret Devlin, twenty-three years old, of No. 181 Graham avenue, Williamsburg, rushed through the hallway of her home this morning shrieking for members of her family to extinguish the blaze that was leaping about her face.

Before this could be done she was so badly burned that in St. Catherine's Hospital the physicians pronounced her injuries mortal.

Miss Devlin arose at seven o'clock and went to the kitchen of the third floor flat to prepare breakfast for her mother and her brother, Charles. After lighting the fire she was busy about the stove when she discovered that her dress was on fire.

**Dived Down Stairs.**  
She ran, screaming, through the hall, where her brother threw her to the door and endeavored to roll a rug about her, but she broke away and plunged headlong down the stairs to the floor below.

Mrs. Devlin, her son and Miss Hurd, who lives on the second floor, hurried to the girl, who was writhing in agony in the lower hallway. They tore down portieres and curtains, in which they enveloped the girl and managed to extinguish the flames, but not before each had been painfully burned.

The cry of fire was taken up by other tenants and an alarm was turned in. The firemen had little difficulty in extinguishing the flames, which had communicated to the woodwork in the hallway.

Mrs. Devlin and her son were badly burned about the face, neck, arms and hands. Miss Hurd's face was scorched and her hair singed.

**BARK POUNDS ON ROCKS.**

Lady Smith Ashore on Fisher's Island and in Danger of Breakin' Up.  
FISHER'S ISLAND, N. Y., March 11.—The bark Lady Smith, which is fast aground here, was pounding badly on the rocky bottom of the south shore, to-day, and the sea was too boisterous for tugboats to come over from New London to aid her. If the bark holds together the wreckers will try and float her when the wind moderates.

Capt. Mahoney and the crew of the Lady Smith were taken off last night by the crew of the life-saving station some time after the vessel struck.

## TWO FISHERMEN MISSING.

Boat Overturned and They Are Sup-  
posed to Have Drowned.

OLD LYME, Conn., March 11.—Of a party of three fishermen who went up the Connecticut River from here last night, it is believed that two of them were drowned. Thomas Dickey, who was with Eugene Monroe and William Banta in the boat, says that when Ferry Point was reached the boat turned over. He regained hold of the boat and reached shore. He says the other men made for the other shore. Nothing has been heard of them.

Monroe was about thirty-eight years of age and Banta about thirty. Each man is survived by a widow and several children.

**HOW TO GET RID OF  
WRINKLES**

A Simple, Safe, Reliable Way That Pro-  
duces Marvellous Results Without  
Massage, Face Steaming or  
Masks of Any Kind.

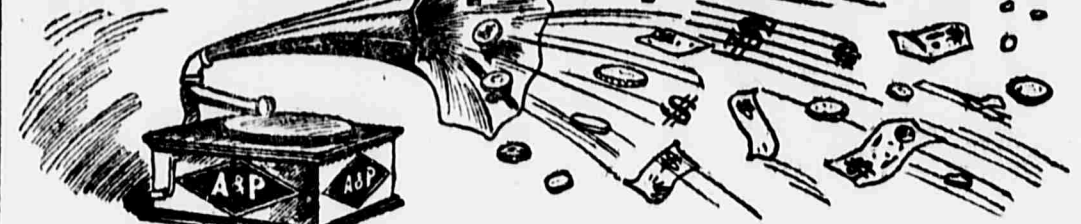

Those who have become prematurely wrinkled, whether from trouble, worry or ill health, know full well that there is no need, however, of any one inflicting their chances of social or financial success in life by carrying around these marks of time, as they can be easily removed by a simple home treatment that often produces surprising results in a single night.

In the Fall of 1907 I first realized that time, trouble and care had all left their marks on my face; that my skin had become dry and leathery, and that the clear, fresh complexion, the smooth skin and the curves of cheek and chin that go with a well preserved woman were mine no longer. Realizing my position keenly and knowing that the fine, clean, alert, well-cared-for looking woman has many advantages over her more unfortunate sister, I tried many advertised remedies, hoping that I would find something that would smooth out the lines that time and trouble had brought me and restore the color and bloom of my youth.

But, after trying Beauty Doctors, facial massage and almost every other known method, and after experiencing disappointment time and again, I took out my own wrinkles by a simple home treatment of my own discovery, which brought back my beauty and the freshness of youth. Doctors say it is the only treatment in the world that will actually remove wrinkles and make old faces look young and beautiful. Many of my friends look twenty years younger since trying my treatment, and the marvelous results it has produced in so many cases has prompted me to give it to the public.

It is easy to apply and is an entirely new discovery of my own. It is absolutely harmless, and so simple that it can be used without the knowledge of your most intimate friends. It is also an excellent beautifier, and, aside from removing wrinkles and filling out the hollows in face and neck, it may be used to enlarge the breasts and greatly enhance their beauty. People often write: "It sounds too good to be true." Well, the test will tell. If interested in my discovery, please address Della Ellison, 261 Burr Block, Scranton, Pa. Just state that you wish full particulars of my new discovery, and they will be sent to you in sealed envelope, absolutely FREE of charge.
